

## FY2019 T.Banaji Indian Students Scholarship run by JEES

### **Purpose of the Program**

The T. Banaji Indian Students Scholarship serves to enhance student's ability to learn by reducing student's financial anxiety, and to promote and cultivate relationships, friendship and mutual understanding between India and Japan.

### **Qualification**

1. Self-supporting international students enrolled in the regular course of a Japanese university.
2. Indian nationality
3. Students who are willing to promote interaction and friendship between India and Japan.
4. Those who will not receive any other scholarship while receiving the T.Banaji Indian Student Scholarship.
5. Those who have a clear purpose and plan of study in Japan, and are expected to achieve excellent academic results.
6. Those who need financial support.
7. Applicants must be of good standing, have achieved outstanding academic results, and be both mentally and physically fit.

**Number of Recipient:** 3

**Benefits:** 100,000 JPY/month

**Period:** April 2019 ~ until the standard enrollment period ends

### **Other conditions**

1. The recipient must attend events, including meetings and internships, and must answer surveys and questionnaires if JEES requires.
2. While receiving this scholarship, the recipient cannot apply for, or receive, any other scholarships.
3. The recipient cannot cancel this scholarship in order to apply for another scholarship elsewhere.

**\*Please note that since this scholarship doesn't allow students to apply for any other scholarships, if you become the recipient, you cannot apply for JSPS.**
